A CARD.

SEVERAL months ago, I purchased the entire stock of goods owned by BUANSON, FARROW AND CO., and continued the business, changing the name afterwards to BRANSON & JONES, after going myself to Philadelphia and New York to make arrangements for the N. C. Business Directory.—But as some persons seem, erroneously, to consider it a partnership or to blend the interest of the former firm with my own, I shall henceforth conduct the business under my own name alone, unless some partner should be taken hereafter. My interest will continue to be General Agent for the N. C. Directory, which will necessarily engage most of my time and attention.

I shall be pleased to furnish our friends and the public with BOOKS, STATIONERY, SHEET MUSIC and other articles in our line, at lowest cash prices.

THE SUPREME COURT "HOISTED."

There is great veneration and respect entertained for the Supreme Court of North Carolina, among our people generally, on account of its past history—for its decisions, for its protection to law and justice, and for the memories of the eminent men who have been associated with it. No such respect seems to be entertained for it, now, by the carpet baggers and new comers.

Its Court-room and the Clerk's office were formerly in the inaccessible and smoky, dingy rooms of the third story of the Capitol. The very general complaints of the public, and of the officers of the Court, led Gov. Bragg, when a member of the General Assembly, in 1842, to introduce a bill, which was passed without difficulty, removing the Court rooms to the more eligible rooms on the first floor of the building, by which the public and the Court have been accomodated; and there it has remained ever since, until the other day.

A few days ago, we were surprised to learn, that a Committee, appointed to obtain rooms for the various officers of State, had ordered the removal of the libraries and valuable papers of the Court below to the *cock-loft* or the third story of the Capitol,—to the ineligible and inconvenient rooms formerly occupied, and now filled with rubbish and old documents. An effort was at once made to prevent this. The attention of the Senate was called to the law in existence, and that body at once passed a resolution forbidding the removal, but the want of a quorum in the House prevented the passage of the resolution by *that* body. Immediately thereupon, both in defiance of the law of 1842 and of the recent resolution of the Senate, the Court rooms are ordered to be cleared and the Supreme Court is sent back to its old quarters in the cock-loft. The Court, with its new *regime*, may need elevation and ventilation, for aught we know, but this unceremonious treatment of a venerated institution, and utter disregard of the law and of the public interests and wants, thus exhibited, does not set very pleasantly upon the public feelings.

Why has this been done? For whose benefit? By whose manipulation? We know nothing of the management at the Capitol, except from hearsay. Mr. Holden *ought* to execute the laws, but we learn that the most important dignitary about the Capitol is "*Judge*" *Tourgee*, who, it is said, orders things about to suit himself. This carpet-bag Judge manipulated the Convention and made Col. Redman and the rest yield to him, by which the Civil Code of the State is turned *topsy turvy*. This arrangement for the Supreme Court, we suppose, has been effected by his manipulation, to make room for, and to accommodate, the carpet bag Superintendent of Public Instruction, who is to have the Court room for an office, and also for the Auditor, who takes the Clerk's room. Before the reign of the carpet baggers is at an end, we should not be surprised if the public Treasury will be taxed, and the beautiful grounds of the Capitol marred, by the erection of additional offices for the accommodation of this *carpet bag* government, with its multitude of new, expensive and clamorous officials.

THE PROSPECT.—The New York *Herald* thinks that only two States are so positively strong in the Radical faith, that they can be counted on for Grant and Colfax, beyond contingency, viz: Massachusetts and Maine. *We* think Maine doubtful. The *Herald* also says that of 159 electoral votes estimated by the *Radicals* as good for Grant, "it is quite safe to say that at least one hundred of them will go for Seymour."

A Philadelphia correspondent of the Washington *Evening Express* predicts that, in the coming State elections, (October 13th,) the Democrats will carry that city by from 7,000 to 10,000 majority, and the State by from 25,000 to 30,000. The Democrats of the "Old Keystone" are pursuing the right course,—they are pursuing an offensive, not a defensive, warfare. That is our policy here in North Carolina, and everywhere else.

RADICAL RASCALITY.

There are, perhaps, no depths of meanness, to which the rebel Radical sheet in this city will not go, to traduce and injure us, but we did not suppose it had sunk so deep as to perpetrate the criminal deception it has repeatedly done recently.

The *Sentinel* recently said:

"The Democrats and Conservatives of North Carolina are bound by no positions, or principles, or programmes of individuals, but by the platform of principles set forth in the official declarations of the National Democratic Convention."

One would think that such a sentence was incapable of perversion—that the commonest honesty or claim to respectability would forbid such perversion, yet the *Standard*, true to its instincts, announces repeatedly, as copied from the *Sentinel*, the following:

"The Democrats and Conservatives are bound by no positions or principles."

Every number of that paper gives additional evidence of its total disregard of truth or propriety. We would not trust any man near a hen roost, who would be guilty of such conduct as the above.

We fear that the negro legislators of South Carolina are in danger of insisting upon measures that must in the end react most disastrously upon the prospects of the freedmen. The dispatch from Columbia yesterday contained these statements:

"The House has passed the bill putting the negroes of the State on an equal footing with the whites. The colored members demand the right to hotel tables, beds and all licensed places."

We must assure the colored law makers of the South and their friends, that the very worst possible thing they can do is to act in such a way as to bring about a revulsion of feeling throughout the country against "negro pretensions."—*New York Times.*

The counsel of the *Times* accords with the advice of Radicals generally to the colored people. They affirm, as a principle, that colored people are the *equals* of the whites; they have insisted, in theory, that, as a matter of right and justice, they are entitled to every privilege, right or franchise of the white people; yet, on the back of this, they invariably advise the colored people to hold back, not to press their claims for office or public benefits or franchises, lest they *injure the cause*. The colored people have been promised paying offices and position, and yet, whenever they put themselves in the way of a white scallawag, they are immediately choked off.

Now, it is manifest, that these teachings have misled the colored people, and they have been *intended* to mislead. It is known that, among Southern Radicals, there are no people more opposed to mixed militia, to mixed schools, to negro equality in every particular, than they are, yet this doctrine of *equality* is put into their constitutions, is incorporated into their conversations and private pledges to the blacks, but is still invariably violated in practice.

When you tell a colored man, that, by virtue of his freedom, as the Radicals pretend to hold, he is an *equal* with the white man, he takes it for granted that *you mean*, that, if he wishes to vote, or to hold any office, or to walk the streets with a white man or lady, or ride in a coach, or a car, or marry a white woman, or sit at a hotel table, or go into the militia, or send his children to school, or mingle in any way with white people, he has a right to do it, and that the law will protect him in making the attempt. They understand that to be the meaning of *equality* before the law. The Radicals are responsible for this impression among the blacks. When they, therefore, talk of putting them in the militia alone, or sending their children to school among blacks *alone*, or that they are not fit for office, or not fit to ride, or to sit or sleep with white people, or walk the street in locked arms with a white man, or drink at the same saloon, they feel at once that the Radicals have deceived them,—*and they are right!* The whole scheme of negro equality is a deception, and is meant by the Radicals to be a deception, when they promise it to them; and the blacks, we are glad to see, are *beginning to find it out!*

RADICAL ADDRESS.—The rebel Radical-Yankee paper, in this City, publishes an "Address to the People," which purports to be signed by the Radical members of the Legislature. We have the word of one of them that he did not know anything of the matter, and the fact that the name of another appears signed to the paper as "——Hutchings," would indicate that his name was forged to the document, or else he didn't know his own name. The Address, so far as we have read it, is a vile tissue of lies from beginning to end, full of invitations to war and incendiarism, on the part of the blacks, and characterized even by threats against the women of the State. The infamous paper is thought to be some more of john pool's work.

We do not propose to notice this Address further. These cut-throats wish to divert attention from their own schemes of violence and ruin, by raising the cry of "stop thief." CHARGE *them*—that's the true policy!

"Windy Billy" is out, too, with a flaming address to the "Heroes of America," so-called. This immense gas bag and *his* address are a fit sequel to john pool and *his* pronunciamento.

Peace can only come to this disquieted land by the election of Seymour and Blair. The election of Grant means: *First, Empire, and, then*, ANARCHY!

THE SUPERIOR COURTS.—We publish, on our first page, for the information of the public, that part of the recent Act of the Legislature, providing the time, &c., for holding the various Superior Courts of the State. The remainder of the Act, specifying the qualifications and general duties of the Clerks, will appear to morrow.

BLACKBERRIES.—The house of E. A Vogler, Esq., of Salem, has shipped, thus far, one thousand barrels of dried blackberries,—worth about $30,000. The dried fruit trade, owing to a partial failure of the crop, will not be near so large this year, as it was the last.

THE MILITIA BILL.

This bill contains two objects. The one is designed to organize the militia of the State at large. By this part of the bill, companies are to be organized, with white men separated from the colored people.—The second object is, to organize 6,000 of this force by voluntary consent, called the Detailed Militia, in which whites and blacks are not prohibited in the same companies, but are prohibited from being in the same sections. This force the Governor is authorized to organize and equip and to appoint the officers for.

On the back of this comes the Circular of Gen. Schofield, the Secretary of War, which contains the following extract from the law of Congress, which prohibits the further organization, arming or calling out of any part of the militia force, in the so-called rebel States, *for any purpose*, and is published, as a reason for the refusal of the Secretary of War to furnish arms to the Governors of said States. The law reads thus:

"*Be it enacted*, that all militia forces now organized, or in service, in either of the States of Virginia, North Carolina, South Carolina, Georgia, Florida, Alabama, Mississippi and Texas, be forthwith disbanded, and *that the further organization, arming or calling into service the said military forces*, or any part there of, is hereby PROHIBITED, under any circumstances whatever, until the same shall be authorized by Congress."

Besides this, the law passed by our late Legislature is directly in conflict with the Constitution of the United States, which prohibits the States from arming and calling out troops. The circular of the Secretary of War non-plusses the Radicals, but we expect a heavy pressure will be made to induce Congress to meet in September. This is full proof of the design of the Radicals to involve the South in civil war, if they can. The Democrats and Conservatives are for *Peace*, but the Grant and Colfax men are for WAR.

CHAPEL HILL.—We publish, below, a Card from A. Mickle, Esq, Mayor of Chapel Hill, in reply to a recent libel upon the people of that village. The communication was originally addressed to the rebel-Radical paper in this city, in which the slander appeared, but, of course, was denied admittance, as it is a part of Radical honesty never to correct a falsehood, when caught in one.

The fact is, we learn, that no person in Chapel Hill knew of the soldiers being short of rations, (supposing that the government was capable of taking care of them) or else they would have been supplied at once.—Else, where were Rev. Solomon Pool, Federal Tax Collector, Jno. White, U. S. Postmaster, and H. B. Guthrie, ex Sheriff,—all leading Radicals, who, *of course*, would not see "the boys in blue" suffer?

A CARD.

CHAPEL HILL, Aug. 15, 1868.

Messrs. Editors:—In the *Standard* of Aug. 13th, there is an assertion that the rebel spirit is as intense at Chapel Hill "that the soldiers, who are there guarding the University property, have been unable to procure rations from the white citizens, and have been compelled to subsist upon those supplied by the colored people."

I have called upon the Sergeant in command here, to learn the facts on which this statement might be founded. He assured me that he knew of none; except that a private of the detachment had applied to a merchant of the village for the loan of some provisions, and was refused, upon the ground that his goods were held upon commission, and sold only for cash. He also states that the intercourse between the soldiers and citizens of Chapel Hill has been marked with uniform courtesy, on the part of the citizens, and I know it certainly has been proper on the part of the soldiers.

Trusting that you will make this correction public,

I am yours, very respectfully,
A. MICKLE, M. P.

THE THIRD BRANCH.—Saturday's proceedings of the Legislature, published in yesterday's issue, revealed to our surprise the mortifying fact that a *free liquoring* establishment has been in operation during the sitting of the Legislature in the Capitol building. Liquors of all kinds have been obtainable there by members of the Legislature, free of cost. The establishment, we learn, is kept by the Keeper of the Public Grounds, whose duty it is to *remove every nuisance* from the public grounds, but who establishes a nuisance in the building professedly devoted to law and to justice.

Who pays for this liquoring business?—Who is responsible for "the third branch" of the Legislature, which furnishes liquor free of cost? Did the keeper take out a license for the third branch, or has the revenue of the City and State been defrauded by making it a *free* drinking saloon? Jones, the Senator from Wake, said *he knew something* about the third branch! We ask him to give us the information. The public want to know if the contingent or miscellaneous or incidental expenses, appropriated by the Legislature, were for this drinking saloon. It is an outrage, a nuisance, and should be removed from the Capitol. The Legislature is bad enough of itself, without *whiskey* to make it more so.

OUR WILMINGTON FRIENDS.—We take pleasure in publishing the following resolutions adopted by the Democratic Club of Wilmington, at a recent meeting. Our Wilmington friends contributed very greatly to the magnificent success of our recent demonstration, and we of Raleigh owe *them* many thanks for their presence and co operation:

Resolved, That we, the members of the Democratic Club of Wilmington, wishing to express our hearty appreciation of the cordial welcome and ready hospitality recently extended us by the citizens and the Seymour and Blair Club of Raleigh, do hereby tender them our warmest thanks, and the earnest assurance that we will ever retain the pleasantest recollections of our visit to their city, as tending to connect more strongly the bonds of friendship between the cities of Raleigh and Wilmington.

Resolved, That a copy of these resolutions be sent to the Seymour and Blair Club of Raleigh, and also to the Raleigh *Sentinel* and Wilmington *Journal*, with the request that they be published.

GRANT says "Let us have peace." What does he mean but that the "Empire is peace?"

For the Sentinel.

THE CLOSING SCENES OF THE BOGUS LEGISLATURE.

To say that the closing scenes in the late House of Representatives were just a *little* more decent and creditable than those of the late "Konstitutional Kangaroo Konvenshun" would be giving them the greatest meed of praise, that a regard for truth will allow.

On Saturday night last, pursuant to adjournment, about 8½ o'clock the august body was called to order by the Prince.

After a maudlin discussion upon the passage of a bill concerning the Cape Fear and Deep River Navigation Co., in which, Leary, Hayes, Sweat, (negroes,) Laffin, (the New York carpet-bagger,) from Pitt, and old Major Downing, (of sleepy head notoriety,) participated, Morris (negro) was called to the Chair.

Then followed a scene of confusion that beggars all description,—drunken halloos, indecent jokes, and, in fact, just such proceedings as one might expect to witness in the abandoned and degraded portion of Five Points.

Carey, (negro,) better known as "de archives of gradity," ascended the Speaker's stand, and the disgraceful orgies were continued with a renewed zest. Suddenly, however, there was a pause, and a dead silence reigned over the assemblage.—Prince J. W. resumed his seat of State, and Carey, looking very much surprised, slunk away, scratching his head.

The Prince, clearing his throat, and putting on a very dignified look, commenced: My friends, and most especially, and particularly, my dear colored friends. Sorry am I that *any one* should think that we have entered into a premeditated plan to make colored men a laughing stock, this evening. No Republican in good standing would ever dream of being so false to his God, Country and Constitution, as to do such a thing. When I hear it whispered around, (Galloway had whispered it aloud,) that such a foul intention has entered into the faithful breast of any of the "trooly loil," it makes me shudder. Oh! my *well beloved*, give ye heed unto me, for I speak the words of solemness and truth. Your ebony images are so deeply and indelibly engraven upon my heart, that I assure you that no adverse wave of the political sea can ever wash it out or make it grow less black. You know, dearest friends and constituents, that constancy to friendships is one of the shining qualities that I inherit. And now, believe me, sweet friends, when I swear, by all that's holy, not one atom of disrespect was intended to you on account of color, race or previous condition.

[It seems that some other colored members, besides Galloway, aforesaid, had got miffed because only colored men had been selected to be placed in the Chair to afford sport.]

To smooth over things, several white skins (not white men) were next placed in the Chair, but these did not take so well, and the sport was for a time flat.

But after a while, when all the negroes seemed to be in a good humor, and mollified, by the abject apologies offered them, Carey was made to occupy the Clerk's desk and address the crowd. He said he had been called on in *sich an extempus* manner, that he had almost nuffin fur to say, but he f lt so good, kase he could stand in dis here hall, a free man, by de blessings of God and Abe Lincum. He alluded eloquently to the time when Abe Lincum *pocketed* his way from his Northern home to the Capitol in Washington City. He next passed a glowing eulogy upon the "Father of his country," and gave it as his (Carey's) opinion that the "publican party and their policy would have captivivated and numbered that illustrus man in their ranks, were he now living." De colored man now did not want immigrators here; dey were all de laboring men, and dere voices made de only music in dis here land of former darkness and slavery.

It is impossible to do justice to this brilliant and instructive piece of oratory, when memory alone is to be relied on to report it. Suffice it to say, that it was listened to with marked attention, and was evidently enjoyed hugely by his brethren.

As Carey left the stand, your informant, thinking he had got the "cream of the joke," took his departure from the once honored and respected Chamber of the House of Commons of North Carolina.

EYE-WITNESS.

CHATHAM.

The Conservatives and Democrats of Baldwin's District organized a Seymour and Blair Club on the 15th. T. B. Farrar was elected President, J. J. Baldwin and E. D. Mann, Vice-Presidents, E. J. Powell, Recording Secretary, A. J. Wilson, Corresponding Secretary, and B. F. Snipes, Treasurer.

The Club was addressed by Henry London, Esq, in a masterly and eloquent speech. The following resolutions were adopted:

Resolved, That we do most heartily endorse the nomination of Seymour and Blair for the Presidency and Vice Presidency of the United States, and will do our utmost to secure their election, considering it as the means of protecting the country from military despotism, and preserving the blessings of liberty to ourselves and our posterity.

Resolved, That we denounce the Radical party for its corruption and profligacy, its extravagant expenditures of the people's money, its oppressive and burdensome taxation, and its malignant and wicked policy, as destructive to the liberties and ruinous to the interests of our beloved country.

Resolved, That we consider the organizing of an armed police, the arming of neighbor against neighbor, father against son, and brother against brother, as the worst evil that can befall our State, as calculated to deluge the land with blood, and destroying all our peace and happiness; and therefore appeal to all good and true men to aid us in averting this terrible evil and return the country to peace and quiet.

Resolved, That we have no prejudice against the negro, but will maintain for him his just and legal rights, and, most earnestly desiring the two races to cultivate for each other the kindliest feelings, we invite them to join us in rescuing the land of our birth from the rule of strangers and aliens, and thus secure their freedom upon a sure foundation.

GOOD NEWS FROM MAINE.—The Democracy are rallying to their work to place the State in the forefront of the defenders of the Constitution. Cheering indications of a reaction are manifested everywhere within its borders. In Penobscot and Kennebec counties—hot beds of Radicalism—the people are flocking around the Democratic banner. The eastern and northern sections of the State are even more enthusiastic.—The contest is appreciated and its momentous issues fully comprehended.—*Wash. Express.*

Six companies of militia have been organized in Little Rock, Arkansas. Not a single *white* Radical in the county could be induced to join. Oh, no! they do not associate with negroes.

There are no troops to protect white women from the nameless outrages of Indians on the Plains, but an abundance to force negro supremacy upon white men in the South. This is the Grant platform. How do white men like it?

COLUMBIAN COLLEGE,

THE SESSIONS OF THE SEVERAL Departments open as follows:
The PREPARATORY, September 9th; the COLLEGIATE, September 23rd; the THEOLOGICAL, October 7th; the LAW, October 14th; and the MEDICAL, October 19th.
This College was organized with a reference to the oft urged suggestion of WASHINGTON, that a University, at the Federal Metropolis, would tend to the "assimilation of the principles, opinions and manners of our countrymen, by the common education of a portion of its youth from every quarter." Its graduates have verified the expectations of Madison and Monroe, that the facilities of hearing debates in Congress, arguments in the Supreme Court and Lectures from eminent men, and of visiting Libraries and Collections in Science, gathered at this centre, would foster a comprehensive mental development.
The Preparatory School gives a thorough training for business, and preparation for College. The College proper has eight efficient Professors; all the Chairs being filled. The Theological school has three Professors and Lecturers; the Law School four, and the Medical, ten. The expenses are as low as at other Colleges.—Number of students the past year, 434. SEYMOUR AND BLAIR CLUB.

The regular meeting of the Young Men's Seymour and Blair Club will be held at the Court House, this (Tuesday) evening, at 8 o'clock—the weather permitting.

All persons desiring to join the Club are requested to come up to night, and a full attendance of members is solicited.

HON. D. G. FOWLE.—This gentleman, as before stated, addressed the people at Rolesville, on Friday last, with fine effect. He also spoke at Eagle Rock, on Saturday, with great power.

We are glad to hear the most encouraging tidings from both of these places, and, also, from Wakefield. Large Seymour and Blair Clubs have been formed at each of these places. At Rolesville, the number of members is already larger than the whole Conservative vote at the late elections.

MILITARY.—Gen. Meade, in a recent order, assigns Col. G. V. Bomford to the command of all the troops in South Carolina, and Gen. Miles to the command of the troops in this State. The troops in North Carolina are to be stationed at Raleigh, Goldsboro, and at Forts Macon and Johnston. Col. Royal is assigned to the command of the post at Raleigh. We hear that the negro regiment, formerly commanded by Gen. Miles, is being concentrated at Goldsboro, &c., and that the white troops in the State are to be sent to the Forts. We learn, further, from a private source, that the officers at Goldsboro have found it difficult to control the colored troops there. If our information be correct, such a concentration of negro troops at Goldsboro is unnecessary, unwise and dangerous to the peace of the community. The white Federal troops, which have been in the State, have, at all times, been entirely subject to the control of their officers, and if the white and colored people in the State, who are peaceably disposed and who are anxious to preserve order, were consulted, they would unanimously prefer the white troops, because they are more reliable and more easily controlled, as a general rule.

GREAT MEETING IN HILLSBORO'.—The Democratic and Conservative Meeting in Hillsboro', on the 15th., was attended by upwards of *eight hundred* of the people of old Orange. The proceedings, in full, are published in the *Recorder*. Jno. W. Norwood, Esq., presided, and, on taking the Chair, entertained the audience for half an hour in one of his happiest efforts, replete with argument and eloquence. Maj. R. W. York, of Chatham, Gov. Graham, Col. Robt. Strange, of Wilmington, Gen. R. E. Colston, Col. Wm. Bingham, and Hon. Josiah Turner, Jr., successively addressed the people, with fine effect and amid great enthusiasm. Gov. Graham said, says the *Recorder*:

"He approved both of the platform and the nominees of the Democratic Convention. He spoke in high terms of Gov. Seymour; regarded him as one of the purest and best men of the country, and a statesman of the highest attainments. The platform, he thought, was such as would have met with the approval of the Whig party in 1844, '52, '56, and any other Presidential campaign."

It is expected, says the *Recorder*, that Gov. Graham and Mr. Turner may be induced to write out their remarks *in extenso*. We hope so.

Twenty-five delegates were appointed to the District Convention in Franklinton, on the 10th. prox.

DEWEESE'S WIT.—We are told that Deweese made a perfect buffoon of himself in his speech to the negroes, at Chapel Hill, last week. When the darkies, for instance, were provoked to laughter, by some of his capers, he would add to the pleasant hilarity of the occasion, by saying: "Hush, *niggers*, or I'll throw a ginger cake down your throats!" Dignified Deweese! Facetious carpet-bagger!

IF THERE is one counsel which, during the next ninety days, should be impressed with more frequency and more force than all others upon the Southern people, it is this: *Be cautious in word and act.*

TO OLD NASH ALIVE!

A tremendous Democratic Mass Meeting came off, on the 20th, at Harrison's Store, in Nash county. There were able speeches, fine music from the Petersburg Brass Band, an excellent dinner, and a most enthusiastic time, generally. Addresses were delivered, successively, by Judge Biggs, of Edgecombe, J. J. Davis, of Franklin, one of the Electors for the State at large, S. T. Williams of Granville, and B. H. Bunn, Dossy Battle and James Battle, of Edgecombe. Some of the colored men, also, made short speeches, which were well received. It is estimated that more than 2,500 persons were in attendance. It was a grand day for old Nash, and the adjoining counties were largely represented. The Freedmen sported Seymour and Blair badges in large numbers. A wonderful reaction seems to be going on among that class of the population in the county.

The people of Nash promise 1,000 majority for Seymour and Blair in November.—Push on the column!

A CORRECT DECISION.—We learn that attempts are being made to prevent the Sheriff and Clerk of the Superior Court of Harnett county, who were elected by the people at the late election, from qualifying, upon the plea that they are *bonded*. They happen to be Conservatives, and the Radicals are trying to oust them. We further learn, that the opinion of Judge Buxton has been obtained, in writing, in which he very correctly holds that they are *not bonded* by the Howard Amendment. Turner, of Harnett, who charged such an enormous mileage bill for attending the Convention, has been here, we learn, trying to get higher authority than Judge Buxton, to turn them out.

This case reminds us that we ought, heretofore, to have noticed the fact, that many *were bonded* by the Reconstruction Acts, who are not bonded by the Howard Amendment. The Reconstruction Acts being no longer operative, we hope that Conservative officers, who were elected by the people, will not yield to the clamor of office seekers and surrender their positions, until they have fully ascertained that they are ineligible.

For the Sentinel.

SELMA, N. C., Aug 19th, 1868.

Messrs. McClair and others:

GENTLEMEN:—Your note, requesting my legal opinion as to the legal right of Sheriffs to levy and sell property to satisfy executions, which issued out of the late County Courts of North Carolina, is before me, and, without intending to elaborate the discussion of the question propounded, which, to my mind, admits of but one construction under the law, I answer that they cannot.

I take it for granted that it will not be denied that all County Courts of the State have been abolished by the constitution of the State, that the same became the law of the land, on the 4th day of July, 1868.

Then, if there be no County Courts, it follows that there can be no Judges or Magistrates of said Courts; also, that there can be no Clerks of Sheriffs of County Courts, or, in other words, no inferior officers of what is not in existence. And when the said County Courts then ceased to exist, at the same time all the power which formerly belonged to each and said officer of said County Courts also ceased to exist.

In other words, that the Clerk, and Sheriff, likewise, go out of power and retain no authority to act as officers of what does not exist in law.

This being true, it must appear to every legal mind, that there can be no such officer as Sheriff of a County Court,—at least since the 4th. day of July, 1868,—and, if not Sheriff of said Court, it follows, as a natural consequence, that he has no legal power to do any act in obedience to the mandate of said County Court, which no longer exists.

Executions, which did issue out of the County Courts, and not satisfied prior to the time said Courts ceased to exist, may, by law, be returned to the Superior Courts of the State, with all other papers, and there commenced *de novo* or otherwise.

Then, in that case, all processes issuing out of said Superior Courts and coming into the hands of a Sheriff may be colored according to the mandate of said Superior Court, which is presumed to have such an officer as Sheriff; for all officers are presumed to know the law, and they have no more authority to violate it, than the most humble subject in the land.

In other words, it is the duty of an officer to discharge his duty as required by law, and there stop, for, if he goes beyond, he then, like any other person, is a trespasser, and liable to be ejected by such force as would be necessary for the purpose; for the law never did authorize an officer or any one else to do an illegal act.

The above opinion is formed from the common law, in the absence of any statute to the contrary. The Legislature, however, during its session, may provide, by special enactment, the means of obviating the difficulty.

Very truly yours,
J. W. SHARP.
Selma, N. C.

PARTISAN WARFARE IN THE TREASURY—DEAD LOCK IN THE SECESSARY APPOINTMENTS.

The requirements of section 49 of the Internal Revenue Tax law, approved July 20, 1868, do not seem to be in a very promising way for fulfillment. There is a dead lock in the business of appointing the Supervisors of Internal Revenue to begin with, and gaugers, inspectors, storekeepers, &c., have not yet entered into the service. As was anticipated by some of the more timid candidates, Secretary McCulloch does not see the merits of the men who have been nominated for supervisors from the same point of view taken by Commissioner Rollins.—The Commissioner, finding himself master of the situation, is not affected by any disposition to compromise, and has nominated nineteen straight out radicals for supervisors. Mr. McCulloch, who doubtless begins to see the errors he committed in the past by admitting to office so many political cormes of the President, stoutly refuses to confirm these nominations. Mr. Rollins as resolutely refuses to present men of the political complexion favored by the Secretary. Thus the expectations of office hunters and the execution of the new Revenue law must be delayed until either Secretary McCulloch or Commissioner Rollins throws up the sponge. *Wash. Cor. N. Y. Herald.*

Scallawag—may the jewel of infamy glitter the brow of every wearer, and as all the vile associations connected with the title, and the cause of its best wail, shall rush upon the mind, may each and every renegade to his race feel that his political doom is sealed beyond redemption!—*Southern Journal of Commerce.*

Correspondence of the Sentinel.

CHAPEL HILL, N. C., Aug. 20, 1868.

Messrs. Editors:—I am constrained to exclaim, with the *Standard*, "Chapel Hill is developing handsomely." Notice was given that Col. J. T. Deweese would deliver a speech here, on Monday, the 17th. inst.—The few negroes that are living here, and some few of the Democrats, were his audience. The Democrats were there through curiosity. The negroes expected something grand. Alas! they were disappointed. Deweese, after some few preliminary remarks, branched off on the Grand Democratic Convention, lately held in Raleigh.—As is characteristic of the man, he dealt in abuse against it. He made several attempts at ridicule and sarcasm. His supply of *poor* anecdotes was copious. They scarcely elicited a smile. He was quite severe on Gen. Blair, also. He tried to impress it upon the minds of those who were present, that the General was a disciple of Beast Butler. He represented him as being apt and had finally outstripped his teacher.—He, (in a word,) made out Gen. Blair any thing that was low and debased. It is shameful, yes most woefully so, that a set of miserable carpet baggers should attempt to break a *good* man. Deweese did Mr. Clay an infamous injustice. He lays this destructive and —— I have not words adequate to describe him —— I say this monster *Radicalism* he lays to Mr. Clay's charge. Will some friend of Mr. Clay's employ counsel in his defense?

The Colonel's nearest auditor was John Clements, who was once a member of the Union League, and his character is so bad that they ousted him; yet he clings to their skirts. The Col. was in imminent danger, I expected to see Clements push him off the stand.

Col. Deweese, having concluded, introduced his fellow-carpet-bagger, Judge Alden, so-called. I shall only notice one or two of his remarks and let him slide. His knowledge of our University was quite extensive. He had found out that we had suspended our exercises at this place. Oh! what grief it caused him. He also has learned from some source, from the present Executive Board, I suppose, (sounds as if it were from them) that the old Board of Trustees were absolute robbers. They have involved the University in debt and robbed her of $130,000 besides,—so says the so-called Judge. Abominable! that the wisest and most honored men of the State should be branded as robbers, by a miserable set of Northern carpet baggers! The Judge has laid open to view a little matter for the historian. He was hunted down with dogs near Morganton! It is a matter of record in Raleigh! It would be well for some one to search for it and give a true statement.

The Judge having concluded, the champion of the Radical party of Orange came forth, claimed to be unwell and could not talk much. He exhorted the few negroes who were present to be firm. I am of the opinion that they will be firm for Seymour. Many of them have declared themselves for the Democratic ticket. Mr. Guthrie then went surety for Deweese, and swore *Radicalism* was the child of Henry Clay.

In a word, the whole affair was a perfect farce. They give notice of more than a week and only the negroes of this place and some few of the Democrats were present. I think the Speakers retired in disgust. They were sadly disappointed. I saw but few positions on that occasion, and those whom I saw were repenting of their sins and turning to the Democratic party. There are many in this county who have changed their base. Orange is sure for seven hundred majority in favor of Seymour.

ALQUIS.

Greeley speaks of Thad Stevens' "fatility of giving the character of another in a single word." As an illustration of this faculty, the Boston *Post* reminds Horace that the defunct "Commoner" called him a "scarecrow."

TRIBUTE OF RESPECT.

At a special meeting of Franklin Lodge No. 102, F. and A. M., at the Hall on Thursday, Aug. 20th, A. L. 5868, the following resolutions were unanimously adopted:

Whereas, The Almighty Dispenser of events, in His Infinite Wisdom, has been pleased to take from our midst our highly esteemed and much beloved brother John H. Davis: Therefore,

Resolved, That while we bow in meek submission to this divine decree, and humbly respond "God's will is accomplished; so mote it be, amen," yet we silently and mournfully deplore our loss in this sad visitation of Providence.

Resolved, That in the death of our departed brother this Lodge fully realizes its irreparable loss; that in life possessing all the elements of Masonry and holding sacred the tenets of the Order, he lived in the pure light of its teachings and died in the full faith of its salvation merits.

Resolved, That in his death, the community has been bereft of a most useful and valuable citizen—his friends a genial and social spirit—the poor an ever ready helping hand, the church a zealous and devoted advocate, and his family the most affectionate of men.

Resolved, That in him were combined the essentials of Masonry and Religion, the true safeguards of peace and happiness on earth and the heaven-ward path to heaven.

Resolved, That we will cherish in sacred remembrance the memory and virtues of our departed brother, and that we will wear the usual badge of mourning thirty days.

Resolved, That we tender our heartfelt sympathy to his bereaved family in this their hour of suffering and distress.

Resolved, That a copy of these resolutions be furnished the family of our dead brother in token of our friendship and esteem.

Resolved, That a copy of these resolutions be sent to the editors of *Sentinel* at Raleigh, with a request to publish.

W. C. KING, Secretary.

VEGETABLE PILE OINTMENT.

TO THE PUBLIC.

For 23 Years I was sorely afflicted with the Piles. After trying every remedy I could hear of and failing to receive any benefit, in 1857 I discovered a remedy, purely vegetable, which effected an entire cure, and I have had no return of it.

Anxious to relieve the afflicted and to promote my own benefit, I made public my discovery and had the gratification to know that my remedy cured a large number of persons. My ointment was advertised in the public prints and I met with great success, until the war came on.

By the advice of friends, I have determined again to manufacture the Ointment and offer it for sale. Any number of certificates of its value could be obtained if necessary.

Price of box $1, and postage when sent by mail. As soon as I can make arrangements, I will put it in the hands of the druggists of the State.

TELEGRAPHIC.

Our Afternoon Dispatches.

FROM WASHINGTON.

WASHINGTON, Aug. 24, M.

A prize fight takes place on Cone River, Virginia, to-day. Several vessels, crowded, left this morning to witness the fight between Collier and Edwards.

The Treasury received, on yesterday, five hundred thousand dollars in gold from Alaska for customs. This is the first receipt from the new Territory.

FROM SOUTH CAROLINA.

COLUMBIA, Aug 24, M.

The Republicans deny the recent telegraphic report, that the Legislature proposes to repudiate any class of bonds or scire the assets of the State Bank pledged to pay them. Only the profits of the Bank are pledged to pay bonds and the Bank has no profits.

The bonds are secure with or without this law. The law, if possible, strengthens them. The explanation of the matter is that the Legislature of '65 appropriated assets of the Bank to foreign bond-holders, depriving the bill-holders of their prior claims. The present bill reverses that action, and protects the bill-holders, as creditors of the State.

Our Midnight Dispatches.

FROM WASHINGTON.

WASHINGTON, Aug. 24, P. M.

It is stated that Attorney General Evarts will advise adversely to the Secretary of War's decision, that the eight hour law involves a corresponding reduction of wages.

No progress, to-day, in the Tax supervisors. The Executive has determined to have the offices equally divided between the parties. Unless this compromise is accepted by Collins' adherents, no supervisors will be commissioned until after the election.

The law is generally regarded as unconstitutional, and the commissioning of Collins' nominees is not mandatory upon the Secretary.

Extensive frauds in negro bounties are positively re-asserted. Experts have full details of fifty-three cases, wherein corruption is evident.

Sherman has instructed Sheridan to drive the Indians beyond the Kansas line, killing them, if he deems further forbearance impossible. It is understood that the President approves of the vigorous course proposed by Sherman.

Welles has returned.

The *Herald's* White Sulphur Springs letter says:

General Rosecrans has held his conference with Lee, Beauregard, A. H. Stephens and other Southern leaders, but the purport of the consultation is as yet unknown. It is believed to have been satisfactory, and an address will probably be issued to the Southern people by some of the leading spirits of the Confederacy.

FROM CHARLESTON—RIGHT!

CHARLESTON, Aug 24, P. M.

Hon. Jas. B. Campbell has started for Washington, to-day, to present to the President an address from the people of Charleston, setting forth the dangerous condition of the city, and the inability of the city authorities to preserve peace, if riots should occur; and announcing the determination of the white people to be moderate and avoid, as far as possible, difficulty, and asking the President to provide for the protection of the city.

FROM GEORGIA.

ATLANTA, Aug. 24, P. M.

In the Grant and Colfax demonstration in this city, on the 18th instant there were but three white men in the procession, and not those handsel, as published by papers North of Washington.

FROM NEW YORK.

NEW YORK, Aug. 24, P. M.

Washington Irving's brother, Ebenezer, is dead, aged ninety-three years.

Prof. Geo J. Alder, author of the German scholastic works, is dead.

Edward Jones, after a dispute with his wife, hung himself to-day.

UNIVERSAL
LIFE INSURANCE COMPANY,

NO EXTRA CHARGE FOR FEMALE RISKS. LOSSES PAID IN THIRTY DAYS.

No Restrictions on Travel or Residence

OF NEW YORK.

Office, No. 69, Liberty Street.

The Original Joint Stock Life Insurance Company in the United States.

The Business of this Company is exclusively confined to the Insurance of First Class, healthy lives.

The Distinctive Feature

Of the STOCK system of Life Insurance, as opposed to the Mutual, is a low rate of premium, for stated sums insured, which is *immediate, sure and certain*, in lieu of a high rate of premium and promised dividend, which is distant, contingent and uncertain—this so-called dividend being merely a return of a portion of the excessive and unnecessary premium charged in the first instance.

Ex. The premiums charged by the "UNIVERSAL" are nearly one-third lower than those charged by the Mutual Companies.

The "UNIVERSAL" desires to call the particular attention of Agents and others to the new "Return Premium Table," which has been prepared by the Actuary of the Company. It will be noticed that these Rates average less than the ordinary rates charged by Mutuals. The inducements offered by this table are equal to a reversionary dividend of one hundred per cent. of all premiums paid.

Rates to Secure $1,000 at Death, with a Return of all Premiums paid.

Age.	Ordinary Life Rate.	Ten Payments Rate	Age.	Ordinary Life Rate.	Ten Payments Rate
25	$14 49	$27 49	45	$33 48	$79 18
30	25 80	43 10	50	74 57	104 27
35	26 54	51 04	55	108 27	142 56
40	29 07	62 84	60	169 23	201 67

Example.—A man aged 30 insures his life for $1,000, and pays $14 10 per annum on the 10 payment plan, and dies after having paid five annual payments, or $215,50, his policy will be good for $1,915 50.

NON-FORFEITING CASH RATES
OF THE
ÆTNA LIFE INSURANCE COMPANY,
OF HARTFORD, CONN.

ASSETS, $10,000,000.

$130 to pay every 100 of Liabilities.

DIVIDEND, Fifty per Cent. 57,000 Members, and continually increasing.

DESCRIPTION OF POLICIES.

First. Whole Life Policies.

Second. Endowment Policies, for terms of ten, fifteen, twenty, twenty-five, thirty, and thirty-five years.

AGES.

Insurance will be granted at all ages from fifteen to sixty years.

PREMIUMS.

Premiums are payable annually during the continuance of the insurance, or annually during a period of five, ten, fifteen, or twenty years within the insurance term; or by single payment.

DIVIDENDS.

All Whole Life and Endowment Policies, issued at the published rates, will participate in the surplus from the date of issue.

The dividends will be declared and paid annually upon the contribution plan, and may be applied as the assured shall elect, either to reduce future premiums, or to increase the Cash Value of the Policy.

If no election be made, the dividends will always be added to the Cash Values.

When, by adding the dividends to the Cash Value, the accumulations on any Policy shall have become sufficient to keep the same in force for its *full amount*, without further payments, the assured may at his option, either continue payment of premiums—and enlarge thereby the annual additions to its Cash Value—or discontinue them; and in either case, when the accumulations shall have become equal to the sum insured, the annual dividends on the Policy will be declared as a per centage of said sum, and paid in cash, and upon surrender of said Policy the sum insured thereby, will be paid in *full*, without regard to the time fixed therein for its payment.

This system of applying the dividends is peculiarly advantageous to the assured, securing, at an increased age, not only relief from further payment of premiums, but, at the same time, an annual income until death, unless he shall have previously received full payment of the Policy.

Dividends on paid-up Policies—that is, Policies which require no further payment of premium to continue them in force for the original amount of insurance—will be paid in cash upon demand.

NON FORFEITURE RULES.

No Whole Life or Endowment Policy, on which two or more annual cash premiums have been paid, shall be forfeited by failure to make further payments, as stipulated therein, but will continue in force for the full amount which the Cash Value and dividends then accumulated, will purchase, taken as a single net premium upon the "Actuaries" rate of mortality and four per cent. interest; and the amount continued in force will generally exceed the aggregate of the payments actually made, extra charges excepted.

No Whole Life or Endowment Policy shall be forfeited by an exposure of the assured life in violation of the conditions expressed therein, unless death shall occur within or in consequence of such exposure, when the full Cash Value of the Policy, together with all accumulations from dividends, will be paid upon its surrender.

INCREASE OF INSURANCE.

Applications to increase the sum insured on any life will always be considered as applications for new insurance and, therefore, no increase of insurance will be granted unless the unimpaired condition of the assured life shall have been proved by medical re-examination.

THE NATIONAL DEMOCRATIC CONVENTION!

THE PLATFORM.

"The Democratic party, in national convention assembled, reposing its trust in the intelligence, patriotism, and discriminating justice of the people, standing upon the Constitution as the foundation and limitation of the powers of the Government, and the guaranty of the liberties of the citizen, and recognizing the questions of slavery and secession as having been settled, for all time to come, by the war or the voluntary action of the Southern States in constitutional conventions assembled, and never to be renewed or re-agitated, do, with the return of peace, demand:

First.—Immediate restoration of all the States to their rights in the Union, under the Constitution, and of civil government to the American people.

Second.—Amnesty for all past political offences, and the regulation of the elective franchise in the States by their citizens.

Third.—Payment of the public debt of the United States as rapidly as practicable; all moneys drawn from the people by taxation, except so much as is requisite for the necessities of the Government, economically administered, being honestly applied to such payment, and where the obligations of the Government do not expressly state upon their face, or the law under which they were issued does not provide that they shall be paid in coin, they ought, in right and in justice, to be paid in the lawful money of the United States.

Fourth.—Equal taxation of every species of property according to its real value, including Government bonds and other public securities.

Fifth.—One currency for the Government and the people, the laborer and the officeholder, the pensioner and the soldier, the producer and the bondholder.

Sixth.—Economy in the administration of the Government; the reduction of the standing army and navy; the abolition of the Freedmen's Bureau (great cheering) and all political instrumentalities designed to secure negro supremacy; simplification of the system and discontinuance of inquisitorial modes of assessing and collecting internal revenue, so that the burden of taxation may be equalized and lessened, the credit of the Government and the currency made good; the repeal of all enactments for enrolling the State militia into national forces in time of peace; and a tariff for revenue upon foreign imports, and such equal taxation under the internal revenue laws as will afford incidental protection to domestic manufactures, and as will, without impairing the revenue, impose the least burden upon and best promote and encourage the great industrial interests of the country.

Seventh.—Reform of abuses in the Administration, the expulsion of corrupt men from office, the abrogation of useless offices, the restoration of rightful authority to and the independence of the executive and judicial departments of the Government, the subordination of the military to the civil power, to the end that the usurpations of Congress and the despotism of the sword may cease.

Eighth.—Equal rights and protection for naturalized and native born citizens at home and abroad; the assertion of American nationality which shall command the respect of foreign Powers, and furnish an example and encouragement to people struggling for national integrity, constitutional liberty, and individual rights; and the maintenance of the rights of naturalized citizens against the absolute doctrine of immutable allegiance and the claims of foreign Powers to punish them for alleged crime committed beyond their jurisdiction.

In demanding these measures and reforms we arraign the Radical party for its disregard of right, and the unparalleled oppression and tyranny which have marked its career. After the most solemn and unanimous pledge of both Houses of Congress to prosecute the war exclusively for the maintenance of the Government and the preservation of the Union under the Constitution, it has repeatedly violated that most sacred pledge, under which alone was rallied that noble volunteer army which carried our flag to victory.

Instead of restoring the Union, it has, so far as is in its power, dissolved it, and subjected ten States, in time of profound peace, to military despotism and negro supremacy.

It has nullified there the right of trial by jury; it has abolished the *habeas corpus*, that most sacred writ of liberty; it has overthrown the freedom of speech and the press; it has substituted arbitrary seizures and arrests, and military trials and secret star-chamber inquisitions for the constitutional tribunals; it has disregarded in time of peace the right of the people to be free from searches and seizures; it has entered the post and telegraph offices, and even the private rooms of individuals, and seized their private papers and letters without any specific charge or notice of affidavit, as required by the organic law; it has converted the American capitol into a bastile; it has established a system of spies and official espionage to which no constitutional monarchy of Europe would dare to resort; it has abolished the right of appeal on important constitutional questions to the supreme judicial tribunal, and threatens to curtail or destroy its original jurisdiction, which is irrevocably vested by the Constitution, while the learned Chief Justice has been subjected to the most atrocious calumnies merely because he would not prostitute his high office to the support of the false and partisan charges preferred against the President. Its corruption and extravagance have exceeded anything known in history, and by its frauds and monopolies it has nearly doubled the burden of the debt created by the war. It has stripped the President of his constitutional power of appointment even of his own Cabinet. Under its repeated assaults the pillars of the Government are rocking on their base, and should it succeed in November next, and inaugurate its President, we will meet, as a subjected and conquered people, amid the ruins of liberty and the scattered fragments of the Constitution; and we do declare and resolve that ever since the people of the United States threw off all subjection to the British Crown, the privilege and trust of suffrage have belonged to the several States, and have been granted, regulated, and controlled exclusively by the political power of each State respectively, and that any attempt by Congress, on any pretext whatever, to deprive any State of this right, or to interfere with its exercise, is a flagrant usurpation of power which can find no warrant in the Constitution; and it sanctioned by the people will subvert our form of government, and can only end in a single centralized and consolidated Government, in which the separate existence of the States will be entirely absorbed, and an unqualified despotism be established in place of a federal union of co equal States; and that we regard the reconstruction acts (so called) of Congress as usurpations, and unconstitutional, revolutionary, and void; that our soldiers and sailors, who carried the flag of our country to victory against a most gallant and determined foe, must ever be gratefully remembered, and all the guarantees given in their favor must be faithfully carried into execution.

That the public lands should be distributed as widely as possible among the people, and should be disposed of either under the pre emption or homestead laws, and sold in reasonable quantities, and to none but actual occupants, at the minimum price established by the Government. When grants of the public lands may be allowed necessary for the encouragement of important public improvements, the proceeds of the sale of such lands, and not the lands themselves, should be so applied.

That the President of the United States, Andrew Johnson, (applause,) in exercising the power of his high office in resisting the aggressions of Congress upon the constitutional rights of the States and the people, is entitled to the gratitude of the whole American people, and in behalf of the Democratic party we tender him our thanks for his patriotic efforts in that regard."

CONSTITUTION AND BY-LAWS FOR CLUBS.

We have received letters from several sources, requesting us to send printed copies of a Constitution and By Laws for the organization of Seymour and Blair Clubs.—Having none on hand, and no funds to print them, we have prepared the following Constitution and By Laws, as a guide for Clubs, and submit them to the consideration of our friends. They were submitted to the Young Men's meeting to form a Seymour and Blair Club, in this city, on Tuesday night, and unanimously adopted:

CONSTITUTION.

ARTICLE 1st. This Association shall be styled the —— Club of —— of North Carolina.

ART. 2. The objects of this Association are as follows: To unite in close political compact every Democrat, Conservative, or by whatever name known, in North Carolina, for the support and defence of the Constitution of the United States; the promotion of the peace and good will of society and the harmony of the Union; the proper enforcement of law and order by legitimate forms, and the utter destruction of Radicalism every where, by the election of HORATIO SEYMOUR, of New York, as President, and FRANCIS P. BLAIR, of Missouri, as Vice President, and all other Democratic and Conservative nominees for any office; and, further, to promote the mutual benefit and protection of each other in all lawful pursuits, aiding each other in business, as being members of one great political family, seeking to promote each other's welfare, and especially to extend such aid to those who have been or may be ignored or proscribed by the Radical party, as the Association may be able.

ART. 3. The officers of this Club shall consist of a President, three Vice Presidents, a Recording Secretary, a Corresponding Secretary and a Treasurer, who shall perform the duties usual to such offices, and who, together with Five Directors, shall be elected annually at the annual meeting of the Association, and shall constitute an Executive Board, to whom shall be committed the interests of the Club.

ART. 4. This Constitution, and such By-Laws or Regulations as the Club may adopt may be altered, amended or changed at any public meeting of the Club by a vote of two thirds of the members present.

SUBSCRIPTION.

We, whose names are hereto annexed, do solemnly pledge our word and sacred honor, constantly and faithfully to promote the objects and aims of this Club as set forth in the foregoing Constitution, and to hold ourselves ready to defend the same, and to protect, to the extent of our ability, every member of this Association throughout the State.

BY-LAWS AND REGULATIONS.

1. Every member of this Club shall sign and subscribe the Constitution, in order to recognition.

2. All monied contributions to the objects of the Association shall be voluntary, and shall be held by the Treasurer, who shall keep an exact account and disburse the same only on the order of the Executive Board, to whom he shall submit his accounts when ordered.

3. The Club shall order its public meetings when and where it chooses, and the President may call meetings when desirable, but the Executive Board, or such of its members as may be designated, shall select speakers and make all necessary arrangements.

4. Each member of the Executive Board is hereby appointed a Committee to solicit names for membership, also monied donations for the objects of the Club, and to attend to the general interests of the Club, such as directing the correspondence, procuring and circulating documents, &c.

5. The Executive Board shall meet to transact the private business of the Club as often as it may order, and the officers of the Club shall be *ex-officio* officers of the Board; when the names of members shall be presented for registration or dismissal for good cause, to consider the financial business of the Club and such other private matters as may be necessary. All members of the Club may attend the private meetings of the Board when convenient, and may give counsel, but the business of the Board will be determined by the vote of the Board itself.

6. Any member of the Club intending to move to any other section, may obtain a certificate of his membership in this Club, if he desire it, to be signed by the President and Secretary.

7. The Executive Board of each Club will give special attention to all matters of registration, voting, &c., see that all do their duty, and that the law is strictly observed, that all fraud or mal practice is detected and duly punished.

REMARKS.

1. In South Carolina, Georgia, Mississippi and other Southern States, strong Democratic Clubs are being formed, composed of colored citizens. The Constitution above is so worded that it can be adapted to any place or persons. If Democratic Clubs can be formed entirely of colored persons, perhaps it will be best; but where there are few, the Clubs may decide to enter them on their registers or not, as they may elect.

2. We would suggest that Young Men's Clubs, everywhere, should embrace all young men, from 18 years of age, and upwards. Many old men are faint-hearted, timid, afraid to let people know their political *status*. Take in the young men, who have the pluck, and who may be educated to *love* the Constitution and the country, and who will always vote right, when they become of age. We need the ardor and boldness of youth, as well as the prudence and wisdom of age. The necessity for this, however, would be obviated, if the young men, under the age of 21, would form Clubs of their own.

3. We insist upon forming Clubs in every Ward, in every precinct and Captain's District in the State, where 25 or 30 members, and as many more as possible, can be obtained. The more the better. The talent and energy of all our people must be brought out. It will not do to let the old men and the old party managers do all the managing and the talking. We *must put every man* in some position to be useful. By having a Club in every Ward and every neighborhood, we can find room for a great many as officers and talkers and working men. We can have our Club meetings out of doors, these pleasant nights, by moonlight or camp fires, and there will be a chance for *every man*, who can make a talk, or a little speech, or a great speech, to do something in that line. Let the Clubs be formed. Bring out all our men to work for the Constitution and the country, and let us save them by the election of Seymour and Blair!

GENERAL REMARKS.

Revenue stamps may be used indiscriminately upon any of the matters or things enumerated in Schedule B., except proprietary and playing card stamps, for which a special use has been provided.

Postage stamps cannot be used in payment of the duty chargeable on instruments.

It is the duty of the maker of an instrument to affix and cancel the stamp thereon. If he neglects to do so, the party for whom it is made may stamp it before it is used; and if used after the 30th of July, 1864, and used without a stamp, it cannot afterwards be effectually stamped. Any failure upon the part of the maker of an instrument, to appropriately stamp it, renders him liable to a penalty of two hundred dollars.

Suits are commenced in many States by other process than writ, viz: summons, warrants, publication, &c., in which case these, as the original process, severally require stamps.

Writs of scire facias are subject to stamp duty as original process.

The jurat of an affidavit, taken before a Justice of the Peace Notary Public, or other officer duly authorized to take affidavits, is held to be a certificate, and is subject to a stamp duty of five cents, except when taken in suits of legal proceedings.

Certificates of loan in which there shall appear any printed or written evidences of an amount of money to be paid on demand or at any time designated, are subject to stamp duty as Promissory Notes.

The assignment of a mortgage is subject to the same duty as that imposed upon the original instrument; that is to say, for every sum of five hundred dollars, or any fractional part thereof, of the amount secured by the mortgage, at time of its assignment, there must be affixed a stamp or stamps, denoting a duty of five cents.

When two or more persons join in the execution of an instrument, the stamps to which this instrument is liable, under the law, may be affixed and cancelled by one of the parties.

In conveyance of real estate, the law provides that the stamp affixed must answer to the value of the estate or lands at conveyed.

No stamp is required on warrant of attorney accompanying a bond or note, when such bond or note has affixed thereto the stamp or stamps denoting the duty required and whenever any bond or note is secured by mortgage, but one stamp duty is required on such papers, such stamp duty being the highest rates required for such instruments, or either of them. In such case a note or memorandum of the value or denomination of the stamp affixed should be made upon the margin or in the acknowledgment of the instrument which is not stamped.
